

RADISSON EDWARDIAN HOTELS BIJOU BAR new interior

PARADOX

creates a stunning new interior for Radisson's Heathrow Bijou Bar

RAKPROJECTS

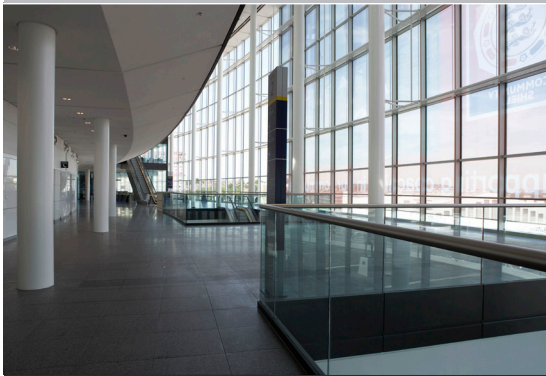

Radisson Edwardian Hotels have launched the glamorous Bijou Bar.

The bar's interior design brings West End style to London's Heathrow airport with RAK Ceramics stunning PARADOX porcelain floor tiles with their highly contemporary semi-polished metallic finish adding an atmospheric ambience to the whole venue.

PARADOX was chosen by the contractor because of their strength and surface durability.

For more information about RAK Ceramics contact Spencer Clarke, Commercial Projects and Specification Manager: spencer.c@rakceramics.co.uk
